To my Member of Parliament

**PROPOSAL TO ESTABLISH A JOINT TRANS TASMAN THERAPEUTIC
GOODS AGENCY**

As a user of Natural Health Products, I am writing to you to express my opposition to the above proposal.

I know that the Health Select Committee have twice recommended that the Joint Agency with Australia should not go ahead for Natural Health Products and yet the Government still plans to proceed.

I believe that the proposal will be bad for New Zealand businesses and mean higher cost and less choice for consumers.

I ask you to vote against the legislation promoting this Joint Agency.

Yours faithfully

Thank you for doing your part to help prevent Australia controlling the New Zealand Natural Health Products Industry. You would be surprised to know just how much effect letters like these have on the decisions that Parliament makes.
